for all information and brochures  
SESSIONS START JUNE 25 & 26

## CHS Band To Participate In N.H. Music Festival

More than 80 high school bands and choirs from throughout New England, New York and New Jersey will participate in the Second Annual "Brickyard Mountain High School Music Festival" at Laconia, N.H. this spring.

Among those competing will be the Cohasset High School Concert Band under the direction of Anthony Hyde. Their way to the Festival has been paved with a series of fund-raising events throughout the Fall/Winter and Spring. These events included selling refreshments at the home football games, raffle sales, garage sales, etc.

However, their most recent and successful event was a

joint concert given at the school which included the jazz ensemble and the drama theater. Members sold tickets to "Patrons of the Arts" who made a large and very responsive audience. The band played the program they will do at the festival and received long and enthusiastic applause for their fine performance. In all, more than \$450 was realized including refreshments sold by the band parents during intermission.

The band now is setting its sights on the performance aspects of the festival. Long and

hard rehearsals should reap fine results in the competition, the first of its kind for the concert band. However, excellent recreational and social activities will also be part of the trip. Trophies and awards totaling more than \$7000 will be presented to this year's winner and runner-up bands in each category of competition. Cohasset will be entered in the concert band class "C". In all more than 40 students and chaperones will be making the trip. They will depart on May 8th and will return on the following night.

## Recreation Report

### TENNIS LESSONS

Registrations for Adult Tennis Lessons, 17 and over, will be accepted over the phone, from now until May 11.

This session of classes will begin on Monday evening, May 14, and will be held outdoors at the Miliken Field Tennis Courts weather permitting.

Classes will be offered for beginners, intermediates, and advanced players and will be taught by Mark McGuire. The cost for the six, one-hour lessons is \$10 a person.

Classes will be postponed on rainy or inclement evenings, but will be made up so that the six lessons are given.

If interested please call the Recreation Office at 383-6791 to register.

### TENNIS LIGHTS

The lights will be on at Miliken Field Tennis Courts within a few days. The courts are for use by residents of Cohasset and playing time should be limited to one hour for singles and one and a half hours for doubles if others are waiting to play.

Lights will be on from dusk until 10 p.m. weather permitting, if you finish playing before 10 p.m. and no one is waiting to use the courts, please shut the lights off with the toggle switch located outside the gray circuit box.

If you find the lights off during the designated hours but wish to play, you may use the same toggle switch to put the lights on. Please use trash barrels for all trash and keep tennis court gate closed at all times.

Any problems with the courts or lights should be reported to the Recreation Office as soon as possible. We thank you for your cooperation.

### WALKING CLINIC

The Recreation Department is interested in conducting a walking clinic for all aged residents. Groups for walking will be established by ability. Courses for walking will be set up offering a variety of environmental settings for walkers.

The concept of this program is essentially related to health, and fitness as well as the recreational aspect of group interaction and socialization. The program, while open to all aged residents, is ideal for seniors. If you feel that you would be interested in this type of program please call the recreation office as soon as possible at 383-6791.

### GOLF REGISTRATION

Registrations for golf lessons for those 13 and older will be accepted by calling the Recreation Office. Class time will be determined by ability and classes will be offered for beginners, intermediates, and advanced players. The fee for the six one hour lessons will be \$10.
